
SHAWN THOMAS

The Ministry of Aaron's REVIVAL Project (ARP)

Shawn Aaron Thomas is a Contemporary Christian singer/songwriter and worship leader based in South Florida. As a "CCM" artist (Contemporary Christian Music), many of Thomas' original works are included in the CCLI (Christian Copyright Licensing International) Library.

Shawn lives in West Palm Beach with his husband of 13 years, and currently serves in ministry as the Worship Ministry Coordinator at Church of the Holy SpiritSong in Fort Lauderdale (Wilton Manors) Florida. In addition Shawn works as the Conference Media/Tech Coordinator for The Evangelical Network (TEN), of which his ministry is an affiliate.

He is also the owner/operator of Shawn Thomas Studios in the Palm Beach Area, FL providing audio recording, production, and mastering services to independent artists, songwriters, and bands. He participated as a voting "Grammy" member of the National Academy of Recording Arts and Sciences from 2009-2015.

Over the past 19 years, Shawn's ministry has received critical recognition from OutMusic, The Stonewall Society, RightOutTV, and QNation. In addition, his service to the community has been acknowledged by The Reformed Catholic Church of the United States, The State of Arkansas Ambassador of Good Will Program, Long Beach Pride in California, and various independent and denominational congregations.

His most recent book, "The Power of Not: Positive Results from Negative Affirmations," focuses on identifying who you are NOT in order to discover who you ARE. Gospel Singer, Kenny Bishop, calls the concept of the book a "science of reverse positivity." "The Power of Not" follows Thomas' first book published in 2010, titled "Unashamed: Coming Out of the Second Closet," which describes his experience of being in the crosshairs from both the LGBT community and the "straight" Christian community for sharing his beliefs.

"Worship-Together.com" is a social media feed administered by Shawn created as an online community of faith. The Worship Together feed provides an alternative to traditional social media platforms avoiding advertising and post manipulation. This virtual space was created for believers to truly get to know each other, and support each other as brothers and sisters in Christ, sharing day-to-day lives, and most importantly, sharing in worship together.

The Purpose and Mission of The Ministry of Aaron's REVIVAL Project (ARP) is to share the grace message of God's love shown in the living Word of Jesus Christ, and to encourage personal responsibility, Holy self-reliance and obedience, and the development of conviction and values in order to promote Christian Unity. To learn more about ARP, its mission, and how you can donate/support, visit www.AaronsRevivalProject.com.
